Dear Ms. Thomas:

Please be advised that this office represents the interests of Dayco Corporation and L.E. Carpenter Co. On April 10, 1985, the Environmental Protection Agency proposed to add property owned by my clients to the National Priorities List. The proposal is contained in Volume 50 of the Federal Register at Page 14115. Your name was included therein as the person to contact for pertinent information.

Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552, request is hereby made for the Hazard Ranking System (HRS) scoresheets for the Dayco/L.E. Carpenter site, the Documentation Record for this site, all correspondence between the New Jersey Department of Environmental Protection and the Environmental Protection Agency relative to this site, all internal memoranda and background documents of the Environmental Protection Agency relative to this site, and a list of document references.

Your prompt attention to this request will be greatly appreciated.

Very truly yours,  
SCHWARTZ, TOBIA & STANZIALE
